IMPERIAL
POOL TABLES

DESIGNED FOR FUN. CRAFTED FOR LIFE.

SERVING THE BILLIARD INDUSTRY FOR OVER 60 YEARS

HISTORY

Imperial is a family owned business started in 1955 to serve the leisure home market. Since then, we have grown into one of the largest billiard and game room distributor in the US. Our products are of the highest quality and we offer an expansive line of complementary billiard accessories, games, furniture and licensed merchandise.

Stylish, fun and versatile our products are crafted from high quality North American hard woods. By purchasing an Imperial pool table you are making an investment in our national forests. We are a partner of the National Forest Foundation and are committed to planting five trees for every table sold. It is our way of helping to maintain the forests that we all enjoy and rely on for future generations.

Additionally, tables can be customized to suit individual taste and preference without sacrificing the cuts needed to play an excellent game. Choose from a variety of cloth colors to match the décor of your home. Dining tops are standard or available with many models for your entertainment pleasure. We take pride in offering sturdy and beautiful sporting equipment that is functional, fun and designed for the perfect game.
